

Mary Jane's Soundgarden Press Release

Since its formation in 2019, the Austrian funkband „Mary Jane's Soundgarden“ has dedicated itself to one thing: Groove.

The rhythm section consisting of Lukas Schmidt (guit.), Lukas Klingseisen (Dr.) and Michael Reitinger (B.) is the musical foundation of the group. The modern interpretation of P-Funk, Neo-Soul and Funkrock serves as a canvas for the spacy Saxophone-Synth of Dido Aschauer. The band is being completed by the singer Tanja Peinsipp and her immense stage presence.

The aim of our show is to provide a memorable musical experience for our guests and to have a party together.

So put on your dancing shoes and shake everything you got!
